HAKKIMIZDA

STS Boru 2015 yılında Gebze'de dikişli paslanmaz çelik boru üretimi yapmak için kurulmuştur.

Sektörün gelişen ihtiyaçlarına uyum sağlayarak, yılda 6,000,000 m üretim kapasitesiyle, Türkiye'de lider üretici konumuna geldik.

Yüzey kalitesi, boru şekillendirmeye uygunluk ve özel çaplar ile ilgili talepleriniz için çözümler üretiyoruz.

Sektöründe ilk akla gelen paslanmaz çelik boru ve profil üreticisi olma yolunda emin adımlarla ilerliyoruz.

ABOUT US

STS Boru was established in Gebze, Turkey in 2015 to produce welded stainless steel pipes. We have developed ourselves to meet the evolving needs of the industry. We have become the leading manufacturer in Turkey with an annual production capacity of 6,000,000 m.

We produce solutions for your requests regarding surface quality, suitability for pipe forming and special diameters.

Our target is to be the first stainless steel pipe and profile manufacturer that comes to mind in the sector.
